I have been acquainted with the contents of the rules of selling the auction objects in the art auction "Arkadija" and I unconditionally agree to it. I am aware that the price offer in the auction (event, on the internet or submission of the maximum price offer in written) obligates to acquire the object of the auction for which there is a price offer. The one must pay for the object acquired in the auction not later than within 5 (five) business days.
